

NORTHWEST CENTRAL FASD NETWORK

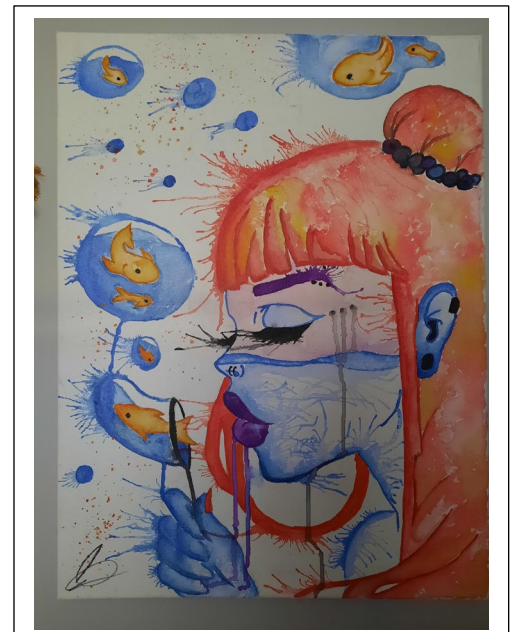

4th Quarter, 2021 Year in Review

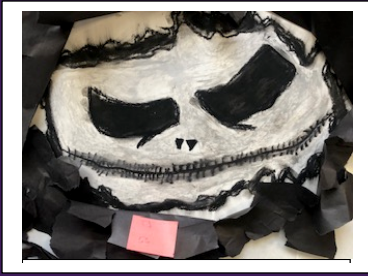

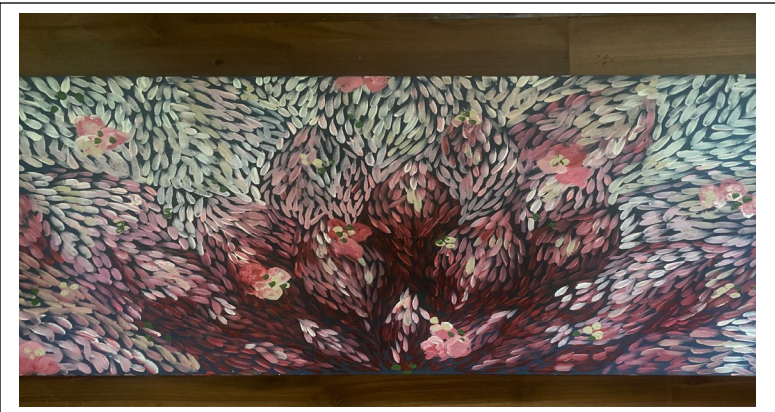

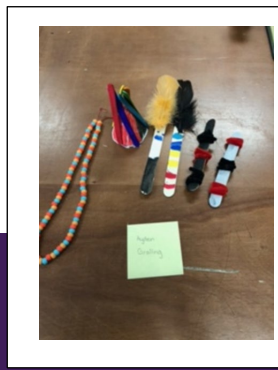

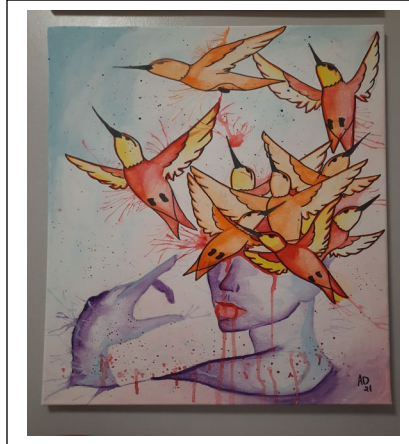

We have had a very busy year with the continuation of Covid, staff and leadership changes and many new opportunities. Most of these were already addressed in the first 3 newsletters. We would like to thank our staff and leadership for a very successful retreat this year. We were so fortunate to connect in person for a meeting, a strategic and operational review and a teambuilding workshop on October 28 and 29th at the Best Western in St Albert. Thanks to Network Manager, Donna Kristiansen, and art contest submissions we were able to create and distribute a beautiful and culturally respectful calendar to stakeholders in our region in December. Thanks to the bright young mind of Levi Kristiansen you can check us out on Tik Tok and Instagram. Thank you to the schools that have opened their doors to the WRaP 2.0 project.

As always we could not have had such a fantastic year without our wonderful Network staff and leadership, our contract agencies Healthy Families Healthy Futures, Hinton Adult Learning Society and WJS Slave Lake, our fabulous stakeholders and our clients and caregivers. Thank you for all your support.
