

WILLOW WINDS SUPPORT NETWORK

2024 A Year in Review

Happy Holidays to all our stakeholders. Please enjoy some of the beautiful artwork that was submitted for the Willow Winds Annual Art Contest this year. Unfortunately, our contract with the Federal Government is cancelled and we will no longer be providing In Reach services to federal facilities. However, we will continue to offer this amazing program provincially.

Thank you, Robert Tegler Trust for your \$5000 donation to send individuals with FASD to summer camp in 2025. Arts, Culture and Status of Women, Community initiatives Operating Grant - \$60,000. Woodlands County FCSS - \$5000. Alberta Community justice Grant - \$25,000. SolGen, Transition Mentor Grant - \$150,000 for In Reach

In partnership with Duologue Systems Inc. Willow Winds is piloting Hapi in January 2025, an Artificial Intelligence SMS messaging platform to empower In Reach clients and connect them to resources. This will be in addition to the Transition Mentorship we already provide.
